(Address)

Plan Prepared by: _____

Project: _____
(Name & Description)

Location: _____

Area: _____
(Acres or Square Feet)

Contractor: _____
(Name) (Phone)

(Address)

Responsible Land Disturber _____ Certificate No. _____

I, applicant, hereby certify that I fully understand the provisions of the Farmville Erosion & Sediment Ordinance and Program, and that I fully accept responsibility for carrying out the Erosion and Sediment Control Plan for the above referenced project as approved.

I further grant the right of entry onto this property, as described above, to the designated personnel of the Town of Farmville for the purpose of inspecting and monitoring the compliance with the foresaid ordinance.

The following general statements shall apply to all permits:

1. All projects shall conform to the standards and specifications and other criteria adopted by Farmville unless a variance has been granted in writing by this locality.
2. The permit must be kept on the site and shown on request.
3. The locality must be notified when work commences and when the project is completed.
4. Other work (grading, excavating, and construction) on the project shall not commence until the appropriate erosion and sediment controls are in place as specified on the plan.
5. Applicant agrees to be responsible for any and all damages to any conservation measures already in place as a result of work covered by this permit.
6. Applicant agrees to maintain conservation measures in satisfactory operating condition until final, permanent stabilization is achieved.
7. The land disturbing permit may be revoked, should the locality determine that the project is in compliance with the conditions of the plan.

I, applicant, certify that I have read and understand the above requirements of this permit.

Section 10-6D of the Farmville Code requires that a Performance Guarantee be posted with the town of Farmville in the amount determined by the Program Administrator. Such Performance Guarantee shall be conditioned to conform any work to approved standards and specifications as specified in the approved Erosion and Sediment Control Plan.

Final inspection of the project shall be made by the Program Administrator or designated agent. The release of any Performance Guarantee is contingent upon findings of such inspection. Release of the Performance Guarantee shall occur within 60 days after the project site is deemed adequately stabilized by the Program Administrator. The amount of such Performance Guarantee is hereby set at \$_____. The fee for plan review and inspection for this project is hereby stated to be \$_____.
